

[パズルいらないのはどれ2]

使い方イメージ

The puzzle consists of a 2x2 grid on the left and six individual pieces on the right. The grid contains a drawing of an apple with a stem and two leaves. The pieces are: a stem and leaf (top-left), a stem and leaf (top-right, circled), a stem and leaf (middle-left), a stem and leaf (middle-right), a stem and leaf (bottom-left), and a stem and leaf (bottom-right). The circled piece is the one that does not fit into the grid.
